

FEES AND HOURS OF CARE PER PACKAGE

UCWB means excellent care at an affordable price. We offer more hours per week than most other providers.

People want value for money, but not at the expense of quality. Our home care packages are tailored how you want them and offer support worker staff you can trust, get to know and enjoy having in your home.

Have a look at the information below to see the number of hours of weekly care available with a UCWB home care package and the associated fees. You may be eligible for other government subsidies.
